HP Pavilion zv5000 Battery Replacement

Replace a faulty battery so that power will return to your laptop.

Written By: Eliza Marks

INTRODUCTION

If your HP Pavilion zv5000 no longer holds a battery charge, powers on, or charges at all, replacing the battery might resolve all of these issues.

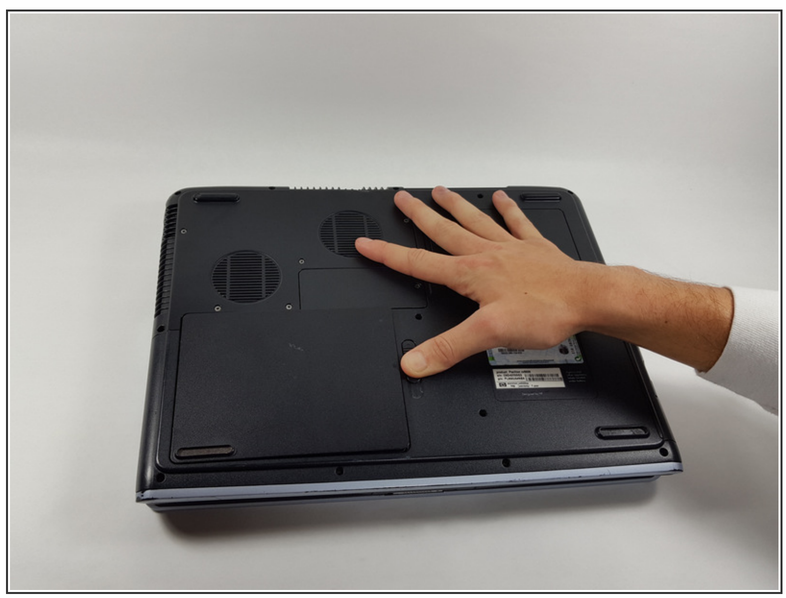

Step 1 — Battery

- Make sure that your device is properly shut down and unplugged from any outlet.
- Flip Pavilion over so that the bottom faces up and locate the battery in the bottom left corner.

Step 2

- Press and slide up the battery release tab with your thumb until the battery pops out of place.

Step 3

- Using two fingers, pry the rest of the battery out of the socket.

To reassemble your device, follow these instructions in reverse order.
